Lore Schaffner – FWBS***

***These students will do sparring at the in the teen/adult Divisions

Tips & Advice

Arrival

- Please arrive 20 minutes before your event is set to begin.
- Make sure to have all weapons & sparring equipment (head, foot, shins, hand, mouth piece).
- Stay off the mat until your division is called.
- There will be designated space for spectators. Please be considerate of others, as the Dojang will be very busy that day.

Purchasing Boards

- Boards are \$2.50
- Bought with cash only. Please bring exact change.
- Mrs. Eyler will be at the school all night on Friday, March 4th for you to pre-purchase boards. If you are able to come this day to buy them, it would be appreciated to help us ease congestion the day of the event.
- Boards can also be purchased the day of the event.

Sportsmanship

- Remind your child about being a good sport. While we hope every student finds success, there is a chance they may not win anything. Please remind them that it is all about learning and improving.
- Remember our judges/coordinators are all volunteers. Please be understanding as it will be a very busy day.
- Sportsmanship goes for both students AND parents. Cheering and clapping are allowed, but please no yelling, coaching, or negative attitudes.

Other

- Students should make sure they are practicing on their own. They can find their forms on our YouTube channel and we will be working on prep in class. Student can also practice presenting:

*"Judges, my names is _____! My school is Trinity Martial Arts!
My form is _____. With your permission, may I please begin?"*

- We are not responsible for remembering which board breaks students are doing. If you have questions, please make sure to ask them BEFORE the day of the event.
